Subject: CEPP ADVANCE TALENT OIL TRAINING COURSES

By means of the present, we wish to record the excellent work and performance as facilitator, made by Mr. Rafael Munoz Director of Operations of the company ALTOL on the Course **"FUEL MEASUREMENT TECHNIQUES DURING CUSTODY TRANSFER AND FOCUSED TO LOADING MASTER RESPONSIBILITIES, SHIP OIL INSPECTOR AS WELL AS PROCUREMENT MANAGEMENT "**.

The course was completed to our full satisfaction and having fulfilled all our own expectations, covering the current procedures and regulations established for that purpose, to our corporate values and compliance and for that reason its evaluation and performance is VERY GOOD and deserves our sincerest acknowledgments.

Certificate issued on the 14 days of the month of June 2017.
