

CERTIFICATION

This is to certify that our company has received the following services from ALTOL PETROLEUM DOMINICANS (ALTOL): surveillance of oil cargoes, loss control, tank calibration, oil ship cargo services, oil inventory control as well as other support services on their area of expertise when it has been required from them.

We can express our utmost satisfaction with the services rendered by ALTOL. Consequently, we recommend ALTOL as a service provider in the Dominican Republic.

This certification is being issued upon request from ALTOL, on this 14th day of June of 2018.
