TO WHOM IT MAY CONCERN

In reference to the request from Altol, we are very pleased to state that we have received their oil cargoes surveillance, loss control, tanks calibration and other support services on their area of expertise when it has been required from them.

Those services comprise Oil Ship cargo Surveys, Oil Inventory Control, Loss Control Expeditor Services and Tank Calibration, Oil Training Courses.

Specifically we express our satisfaction with the services provided by ALTOL at REFIDOMSA PDVSA Installations in the Dominican Republic.

We can recommend ALTOL as a services provider on the above mentioned areas for hydrocarbons inspection in Dominican Republic.

Do not hesitate to contact me for further information.

Sincerely yours,
