**Subject: Supplier Quarterly Scorecard: Altol Petroleum Dominicana**

As part of Jabil Healthcare Dominican Republic Supplier Monitoring Process, each supplier will receive a notification of quarterly rating based on their performance during that time period.

This rating belongs to Quarter Period: January – March 2020.

Supplier Quarterly Rating: **100 % (Excellent)**

<b><u>Category</u></b>	<b><u>Rating</u></b>
Service	25%
Delivery	25%
Quality	50%

Suppliers with rating as “Conditional and “Probationary” must provide a Performance Improvement Plan that will need to be reviewed and approved by facility personnel.

An SCA may be issued by Jabil Healthcare Dominican Republic if the quarterly Quality, Delivery or Service rating for a specific supplier falls below 75% for two (2) quarters in a row. Also, if the quality, delivery or service rating is inconsistently acceptable (i.e. fluctuates from month to month), the facility may issue a SCA at their discretion at any time.
